Work Related Injuries (WCB)

Assessment and treatments will be covered by WCB Alberta, if your injury claim is approved by WCB.

Motor Vehicle Injuries (Auto Insurance)

Inside protocol visits will be direct billed to your auto insurance.

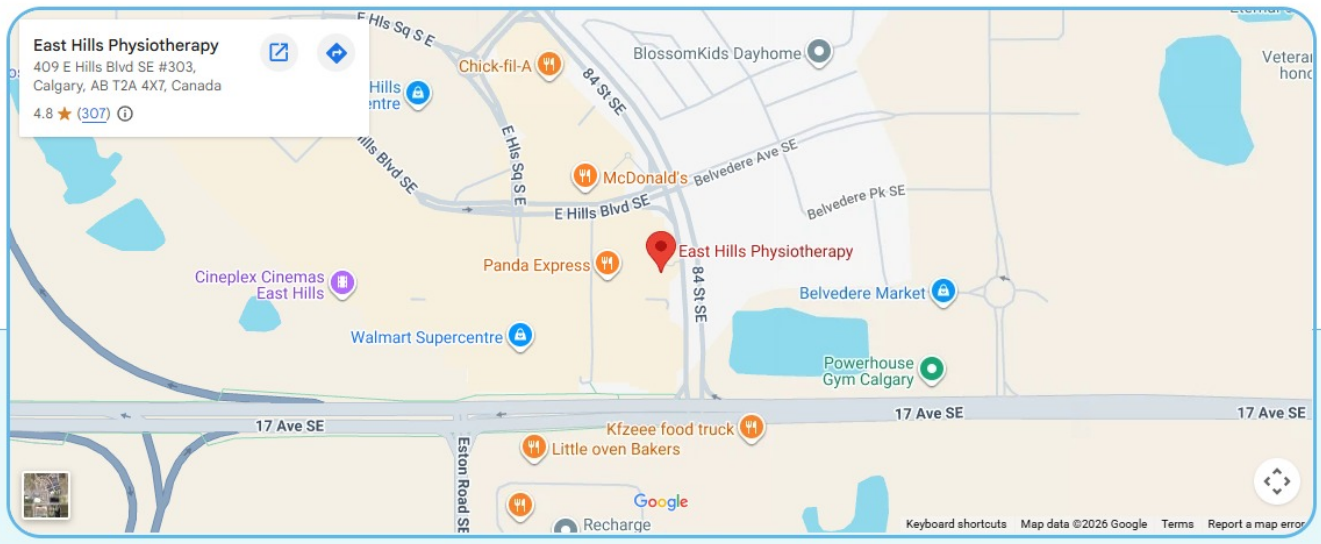

If you decide to be treated under the **Motor Vehicle Accident** protocols, then we are able to direct bill your insurance company if you are still eligible within inside protocol (within 90 days from the date of your accident) (that is, we will bill your insurance company and we do not require payment from you upfront).

Outside Protocol treatments (after 90 days from the date of your accident)

Assessment and treatments will be covered by WCB Alberta, if your injury claim is approved by WCB.
